Who are we?

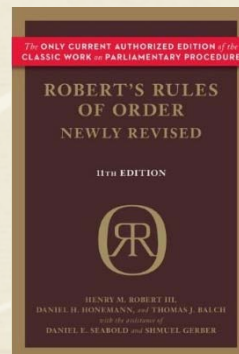

The Manitoba Association of Parliamentarians (also known as “M-A-P”) was established in 1994 as a non-profit organization.

Our aim is to teach and promote the use of parliamentary procedure, to facilitate more efficient and effective business meetings.

What is Parliamentary Procedure?

Parliamentary procedure refers to the rules used to enable the fair and orderly transaction of business in meetings. We use the current edition of *Robert's Rules of Order Newly Revised* as our main source of parliamentary rules.
