

Evening Study Group (ESG)

WELCOME MEMBERS!

ESG is an evening study group designed to assist MAP's provisional members with their NAP membership exam. Although ESG focuses on basic parliamentary principles, the educational program of this group will serve as an excellent refresher for all members.

We're not too formal and we try to make each meeting educational and enjoyable.

ESG is a monthly coffee-type session and there is no charge for the room as long as everyone orders something from the menu. Invited guests are welcome provided the visitor has some interest in learning more about Robert's Rules of Order Newly Revised (RONR) and intends to join MAP in the near future.

The ESG instructors use the NAP membership exam study guide as a reference tool, so please ensure to print a copy of this guide to use as your workbook.
