NOTICE TO MAP MEMBERS

MARCH 13, 2021

The Manitoba Association of Parliamentarians (MAP), in response to the ongoing coronavirus (COVID-19) pandemic, and to comply with our bylaws, has scheduled the Annual General Meeting for our MAP members Saturday, April 24, 2021 with the following changes:

1. The venue is 12 Robindale Road at 10 a.m.
2. The sole purpose of this meeting will be to set an adjourned meeting, at a future time, date, and location, to be determined by the MAP Board.
3. To reiterate, the only purpose of this [April 24, 2021](#) meeting will be a procedural meeting only, so our members are **not** expected to attend. In this regard, all MAP members will receive Notice of the rescheduled adjourned meeting, at which time MAP will complete its annual business meeting.

The Board of MAP believes that we have an obligation to be proactive in mitigating the spread of COVID-19. The health and wellbeing of our community – members, guests, workshop participants – is of utmost importance.
