

ROGER WOLOSHYN, PRP

Dear Roger,
We are saddened by your passing. Our prayers are with Dawn who was by your side.
You have been our teacher, a mentor, a leader, and a friend.
Your sense of humour made our journey lighter.
The words of a song say: *"People come and go in the fabric of our lives"*
We are fortunate that we crossed paths,
and happier that we shared some time together.
The stars above and the northern lights, will,
Be a constant reminder of your spirit.
As you Zoom across the skies, you will be in our hearts for Evermore.
Thank you, Roger.
