### **Effective Meetings - How to Avoid "Death by Meetings"**

We've all been plagued by unproductive meetings, meetings that are boring and ineffective. Members are disengaged, bully other participants, or say nothing at all... and that's annoying.

This session will review the seven sins of deadly meetings and how to fix them. It will also look at how to deal with rogue chairs and difficult members to get a deliberative assembly back on track.

**Presenters: Heather Ewasiuk, PRP**  
**David Gray, RP**

**COST: \$10.00 per person**
